## A Seven Day Prayer Guide

Join us in interceding on behalf of NightLight Missouri and the individuals we have the opportunity to serve.

<b>Day 1</b> PRAY	<b>NightLight Missouri Staff and Volunteers</b> For staff to seek the will of God first and follow whatever God calls them to. For volunteers and staff to be diligent servants without an agenda. For provision of resources necessary to minister to those who have been exploited. For wisdom and guidance for future planning. For unity among staff. (James 1:5)
<b>Day 2</b> PRAY	<b>Resources to Do the Work</b> For volunteers, gifts, baked goods, funding for programming (Bible studies, life skills classes, job training, etc.). For those with the time, skills, and finances to boldly sacrifice what they can so that we can impact the lives of the exploited and offer healing and help. (Psalm 50:10; Philippians 4:19)
<b>Day 3</b> PRAY	<b>Local Churches, Businesses, and Individuals to Partner With Us</b> That the Holy Spirit will move hearts to join us in this Kingdom work, keeping in mind that faith without works is dead. That God would give vision to the local community that change is possible with their help. (James 2:26; Galatians 6:9-10; 1 Timothy 6:18-19)
<b>Day 4</b> PRAY	<b>Favor with Those We Reach Out To</b> That we will be well received as we reach out to, rescue, and restore the exploited. That we will be the fragrance of Christ in a perishing world, and that the exploited will desire life instead of choosing death. For NightLight to find favor within clubs and online outreach. (2 Corinthians 2:14-16)
<b>Day 5</b> PRAY	<b>NightLight Missouri Outreach Programs</b> For the equipment of the full armor of God before, during, and after outreach. For continued safety for outreach teams. For new doors to be opened in other areas of exploitation such as spas, truck stops, extended stay hotels, etc. (Ephesians 6:10-18)
<b>Day 6</b> PRAY	<b>NightLight Missouri Restoration Programs</b> For wisdom and grace as lives are being redeemed. That volunteers and staff are sensitive to the needs of those being restored to wholeness. That the Gospel will be presented clearly, and that those who have been exploited will know and accept God's love and forgiveness. (Lamentations 3:22-25)
<b>Day 7</b> PRAY	<b>Spiritual Warfare</b> For staff and volunteers to overcome temptation and attacks from the enemy. For the light of God to overcome the darkness of exploitation. For the enemy's strongholds to be broken within the local sex industry and other areas of exploitation. For those who have been exploited to realize Christ's victory. (1 Peter 5:8-9)
